Q7 To what extent do you think a standardised nutritional daily hot food service at school provided to all primary school pupils could improve children's health outcomes?

Answered: 313 Skipped: 0

ANSWER CHOICES	RESPONSES	
No impact	0.32%	1
To a small extent	4.15%	13
To a reasonable extent	15.97%	50
To a large extent	29.71%	93
To a very large extent	47.28%	148
Don't know	2.56%	8
TOTAL		313

Q8 Currently in England, all children in reception, Year 1 and Year 2 (ages 4-7) receive a free lunch at school regardless of their household's income. This scheme is called "Free School Meals". From Year 3 onward (ages 7-11), children are only eligible for Free School Meals if their family gets Universal Credit and their annual household income is £7,400 or less. To what extent would you support or oppose the UK Government extending the Free School Meals scheme to all primary children in England (ages 4-11)?

Answered: 313 Skipped: 0

ANSWER CHOICES	RESPONSES	
Strongly support	82.11%	257
Tend to support	11.82%	37
Tend to oppose	1.92%	6
Strongly oppose	1.60%	5
Don't know	2.56%	8
